Yes, We Will Remember Old Russell High

The 1962 Graduating Class will be the last class to hold their Commencement in the Gym. They will not only be singing their swan song but also one for old Russell High School . . . Many in the audience, no doubt, will have thoughts of other years when they too, walked trembling across this same stage for their diplomas . . . Progress brings changes, so we inevitably bow to progress. Russell High School has kept pace with the marvels of the space age . . . Next year the students will have lots of space—Space to study, to learn, and to enjoy the wonderful opportunities afforded by a brand new building. The new high school program will get underway none too soon, since they are expecting capacity classes in September . . . Russell High School has indeed grown since 1918, when they had one building, housing all grades with 33 students as high school enrollment. Today, the Russell School System comprises five schools and an anticipated enrollment of 675 students in the new high school.

As We, the Last Graduating Class, Walk

These Commencement night scenes will be remembered by the 1962 Graduating Class. We were both glad and sorry that this night had come . . . Our misty eyes spoke for us. We realized we were leaving the happy, carefree days of our teens to commence a new adult life, filled with responsibilities. Russell High School had prepared us to meet this challenge.

We Salute the First Graduating Class

It is fitting that we pay tribute to the 1918 Senior Class—the first to be graduated from Russell High School . . . The class numbered thirteen—twelve girls and one boy. Their 14th member, Clifford Collins, had enlisted in World War I.

We are proud of that first Senior Class, who despite many difficulties, published the first yearbook. Volume 1, called the Croaker, was dedicated to Prof. B. F. Kidwell, Principal.

Marguerite Rece, Margaret Williams, Margaret Meeks, Elmer Lacey, Bertha Osborne, Georgia Patterson, Myrtle England. *Second row:* Carrie Rece, Lizzie Olive Tune, Inez Sutton, Rachel Smith, Essie Smith, Ada Rece.

We Will Remember the Front Steps — Our Meeting Place

the Hall — Cluttered With Coats and Students

Within this hall, many a friendship began and many a courtship ended; Many a coat dropped to the floor and many a gentleman dropping three returned one to the hook . . . many a joke was enjoyed . . . many a tear was shed . . . many a test was discussed and many a teacher was—well, complimented.

This was the place where the latest rumors were whispered . . . where we longingly lingered before we reluctantly went to take a quiz—or to the office. The place into which occasionally, students from the steps have been known to fall. It was also the place where Miss Washington's students hid behind the door.

Yes, we will always have happy cluttered memories of the hall . . . We Will Remember the precious moments spent here.

We Will Remember Our Fountain and —

It was a popular place—especially in hot weather. Greetings unlimited have been exchanged here between gulps of water and spatter, splutter, spray, shower . . . If one timed it just right, one could meet that certain person here . . . Our fountain also served as a "tete-a-tete" place for couples going steady until they heard that old familiar echo "Clear the Hall!"

Jack Edwards, Top Junior Candy Salesman, is shown applying his high pressure technique on Bob Hurt.

Our Library,

We have spent many happy hours in this room—our informational center . . . We have met famous people within the covers of many books . . . We have also requested a little thin book with large print for that last minute book report. WE WILL REMEMBER the meetings held here.

the Auditorium and Study Hall,

This room will always hold unforgettable memories for all those who have graduated from Russell High School . . . Due to crowded conditions, it had to be used as a Study Hall . . . Our students are to be complimented for their cooperation in trying to study midst the noise of a class in session on the stage . . . The students next year should also remember this—and then truly appreciate their new school.

and the Old Stove

It is not likely that anyone will forget the old stove in the auditorium—around which we hovered on cold mornings. It was also used as a gathering place for fun and fellowship during lunch time . . . At right, center, you see popular football hero, Bob Slater, telling a good story to his fans Dottie Stevens, Jack Edwards, Charles Rose, and Tom Green.

We Will Remember the Lab — and Its Many Pungent Smells — the Gurgling Test Tubes — the Experiments We Had

There are a few students who will have cause to remember the lab more vividly than others . . . It was here that beakers were broken . . . test tubes were tested . . . and Bunsen burners burned . . . Notwithstanding the offensive aroma, which slowly engulfed the first floor and then basement, we take great pride in our Science Department. Many outstanding science students have gone forth from our lab. This year, Kathy Callihan, Phil Queen, and James Stanley were award winning students. We are extremely proud of them and their teacher, Colonel Blankenship. Our science instruction is second to none and we know that the new laboratory facilities next year will afford our students newer and better opportunities for experimentation.

Jack Edwards, Mr. Blankenship, Charles Rose, Margaret Tackett, Carol Bandfield, Julia Goldcamp, Keith Stephens, Bill Roberts, Tom Greene, Nancy Johnson, and Connie Castle.

the Games in the Gym — and the Lunchroom Line

The Gym will always bring back memories . . . memories of the games we won—and lost . . . the night we beat Ironton . . . the time Don Ratliff broke the scoring record . . . our wonderful pep band . . . the teen talks we enjoyed . . . the tests which almost broke our backs . . . the Senior girls game . . . the athletic carnival . . . the Band concert . . . the Junior Prom and then Commencement. There is no doubt, We Will Remember the Gym.

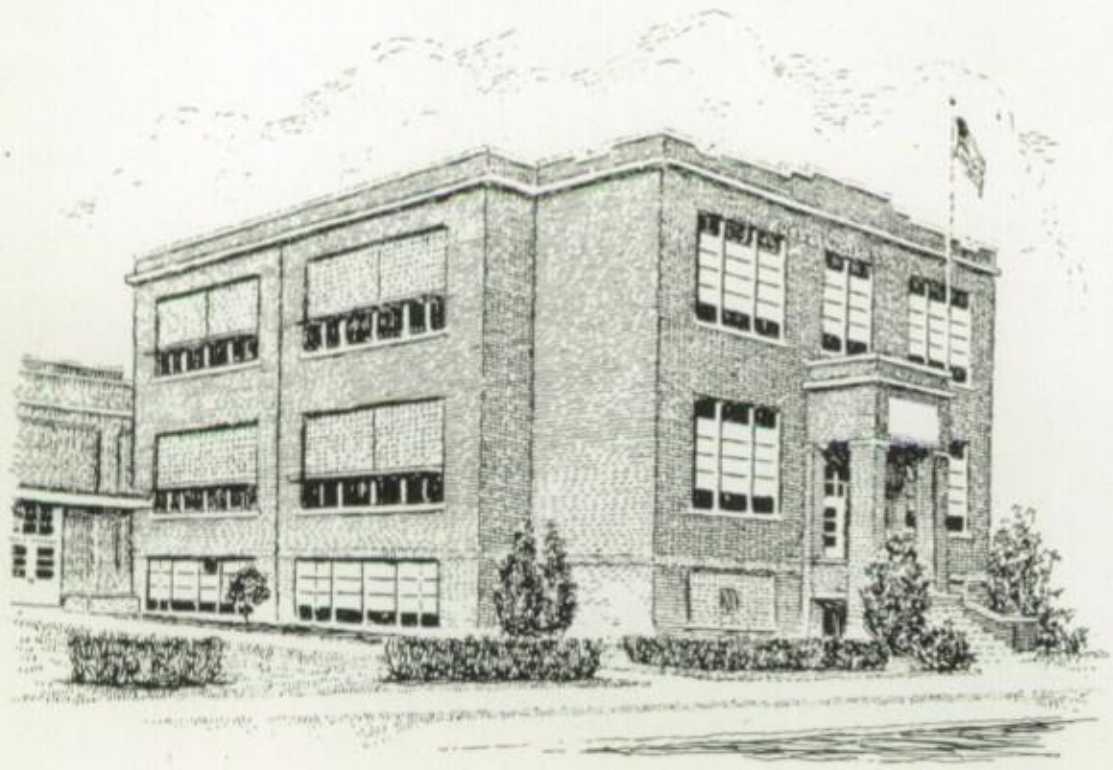
At right, the Phys Ed students are enjoying class.

We will never forget the Lunchroom and the days Pronto Pups were served. It was here that we received our energy to last out the afternoon. These were the happy, carefree days that WE WILL LONG REMEMBER.

We Will Remember —

The first letter in Russell stands for Responsibility —an attribute which is taught daily at Russell High School. It is also exemplified in the attitudes and conduct of our Administration and Faculty. WE WILL REMEMBER the responsible men on the 1962 Board of Education. It was due to their wise planning and vision that our new million dollar high school has been built. WE WILL ALSO REMEMBER the good citizens of Russell and vicinity, who unselfishly voted the bond issue, which has made our dream of a new high school come true. Our new Russell High School will be formally dedicated in August.

BOARD OF EDUCATIO



Our

MEMBERS: Supt. Henry R. Evans, Joe Stephens, President, Sterling Norris, Dr. Thomas Wilson, Glenn Diedrich.

Administration

Mr. Evans, Superintendent, Will Be Remembered for His Wise

Frank Firestine
Principal

Mr. Firestine is one person who will be extremely happy to move to the new high school. The reason, we think, is obvious. Due to crowded conditions and the lack of lockers and space, our hall at times, presented an unsightly appearance when coats fell to the floor.

Mr. Firestine aided the students by picking up the coats and transferring them to the upstairs hall. He is pictured here in a familiar pose, coats in arms, making his daily trek to the second floor . . .

WE WILL REMEMBER Mr. Firestine for his cooperative spirit and his helpful understanding of our many problems.

Leadership and His Tireless Devotion to the Building Program.

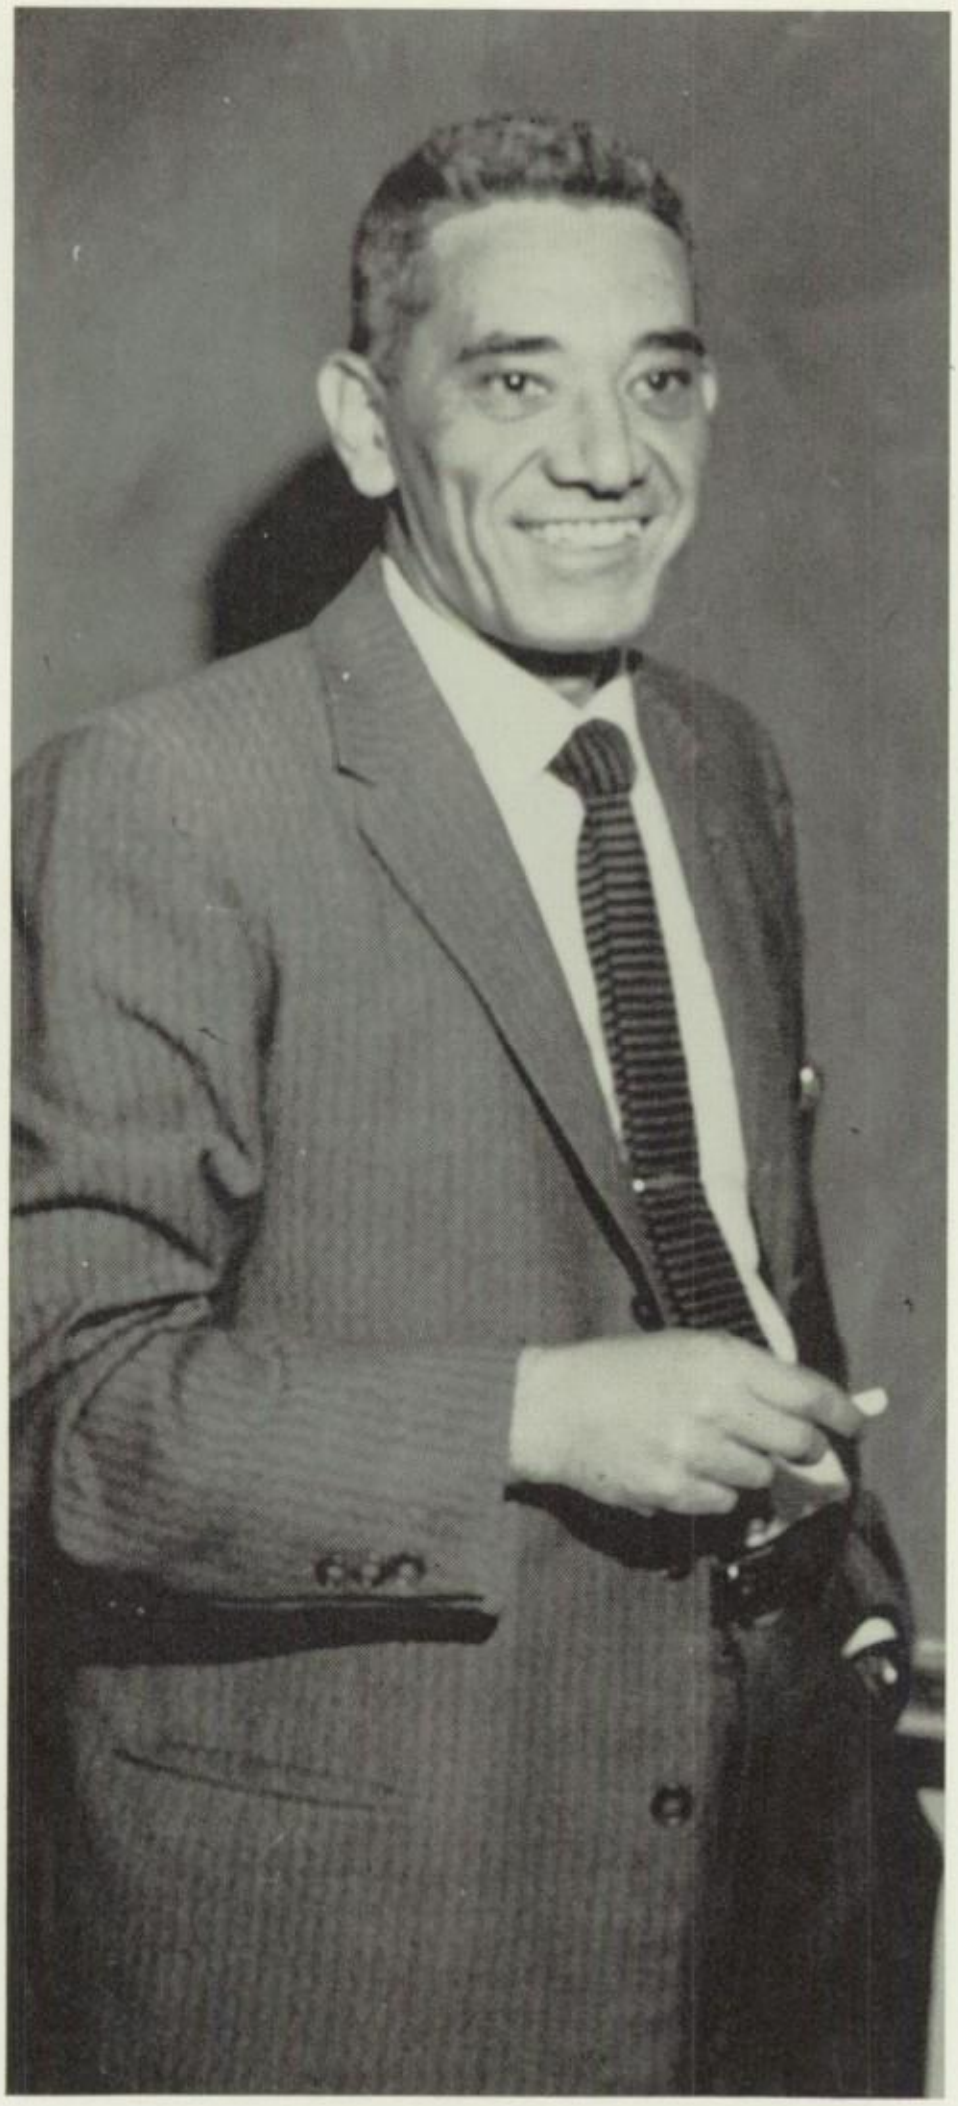
Quality Personnel and Faculty Members

Mrs. ELIZA McKNIGHT, Curriculum Director, has helped us to understand more thoroughly the courses we should select. She also gives us guidance in the choice of a career. Outside the office, Mrs. McKnight devotes all her time to her small son Jimmy, who is her pride and joy.

Miss VERA VIRGIN, Director of Pupil Personnel, is another good reason why we are proud of our school. Miss Virgin is concerned when we are absent from class and her friendly but firm call on parents generally gets immediate results. She keeps an accurate record of the percentage of attendance in the Russell Schools and publicizes our progress.

Miss SARAH HENDRICKS, Secretary to Supt. Evans, has a long record of faithful service in the Russell School System. In addition to her many varied duties, Miss Hendricks looks after "DAD," a genial and august gentleman, who is beloved in our community. We will miss Sarah and the office next door when we move out to our new school.

Raise Standards of Russell High School



We are extremely proud of the Science Department and the honors it has achieved. COLONEL BLANKENSHIP has also achieved fame for his "tough" chemistry and physics classes. Notwithstanding, the students come back for more, because they respect Mr. Blankenship. We applaud our students who realize the importance of knowledge. We are fortunate to have Mr. Blankenship on our faculty.

We were happy to welcome Miss LOLA SKEENS to our faculty this year. She teaches General Science. Miss Skeens has entered into all our activities and she has endeared herself to our student body.

We will always remember Mr. ROBERT DeBENEDICTIS and has Biology Class. Despite the awful dissecting, the students learned to like the study of plants and animals. This was due to the inimitable manner of teaching of Mr. D.

Mathematics has always been popular at Russell High School. This has been due mainly to the tireless effort and conscientious teaching of Miss MARY WASHINGTON. Miss Washington had to be out one semester last year in order to complete a special Guidance course at the U. of Texas. We heartily welcomed her back again this year as the Russell High School Faculty isn't complete without Miss Washington.

We Will Remember Our Teachers

Mr. JAMES SPEAR joined our faculty in September. He teaches mathematics. He received his B.S. Degree from U. of Ky. We like Mr. Spear and look forward to having him with us next year.

Mrs. BEVERLY MELVIN is another Math teacher who has distinguished herself at Russell High School. Mrs. Melvin has sponsored the Rye Club which has provided a dramatic outlet for underclassmen.

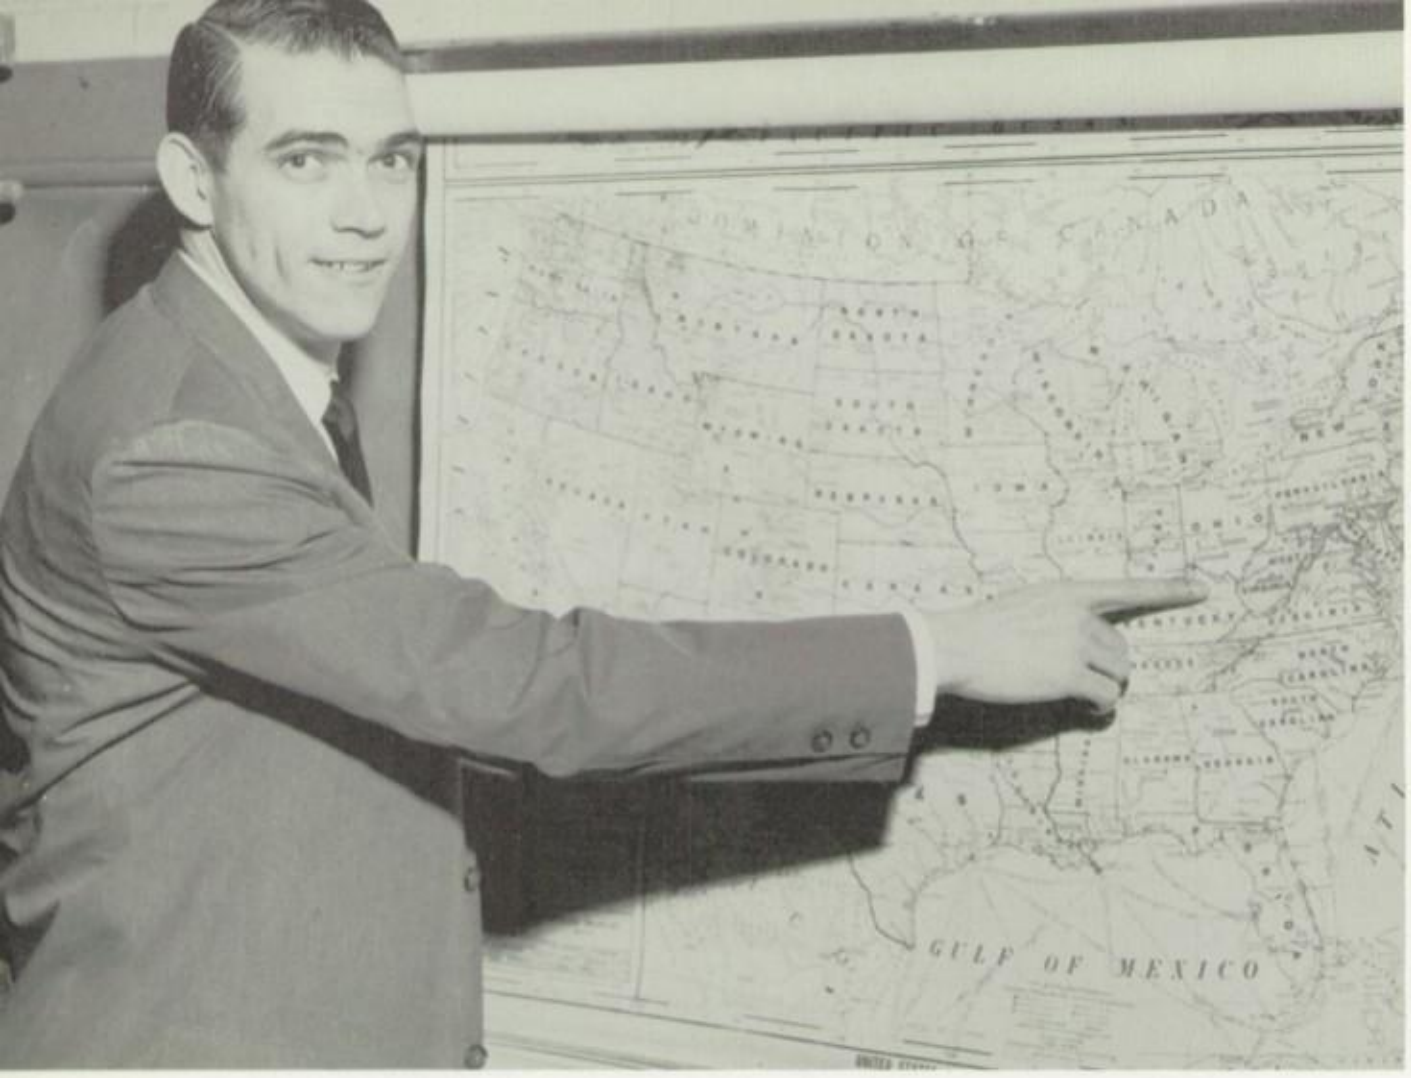
Miss MARTHA BELL replaced Mrs. Amis who left at the end of the first semester. We enjoyed having Miss Bell with us as she brought a certain sparkle to our English classes.

Mrs. NINETTE AMIS, English and Latin teacher was given a leave of absence at the second semester. We understand that she is now teaching "amo" to her new son. Congratulations and Best Wishes, Mrs. Amis!

Who Encouraged Our Fullest Growth

Mrs. VIRGINIA RUPARD has done an excellent job in teaching us correct grammatical usage. Mrs. Rupard, a graduate of Eastern State College, originated the "Reverie," a student publication of original creative writings.

Mrs. ALICE GAIL SMITH, instructress in literature and speech, is one of our favorite senior advisors. We appreciate her interest in all our activities and the time she has devoted to our projects.



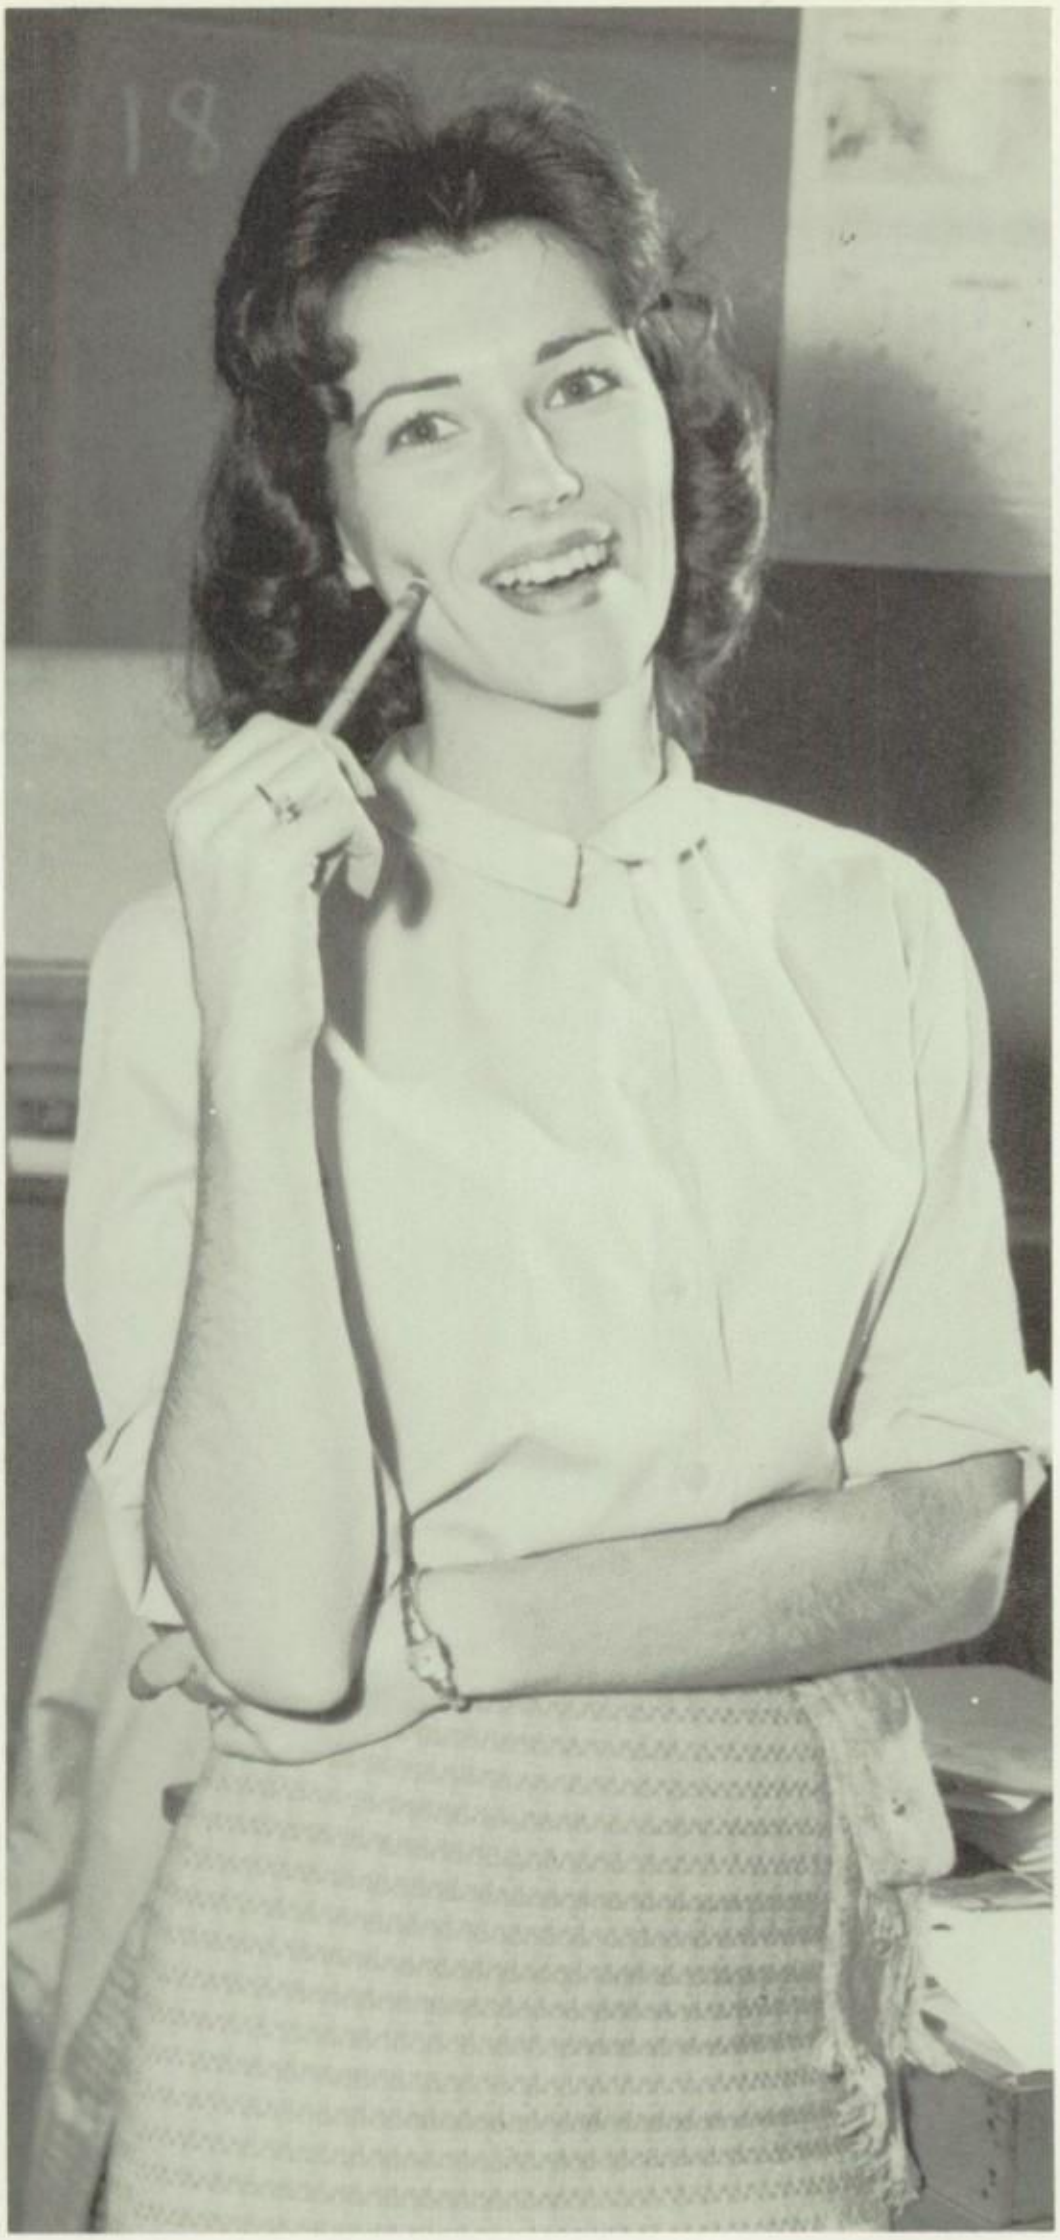
Mr. JACK ROLLINS, Social Science instructor, joined the RHS faculty this year. He has been instrumental in creating more interest in governmental affairs. Mr. Rollins is a graduate of Marshall University.

We were very happy to welcome Miss BETTY RENFROE to the faculty at the second semester. Miss Renfroe replaced Miss Burnette. A graduate of Morehead State College, Miss Renfroe teaches English and Latin.

This makes the second year for Mr. DAVID WALLENFELSZ to be with us. His favorite room was not on the stage. Despite the handicap of noise from the study hall, Mr. Wallenfelsz conducted most interesting history classes. He obtained his B.S. Degree from Eastern State College.

They Provided Answers to Our Many Questions

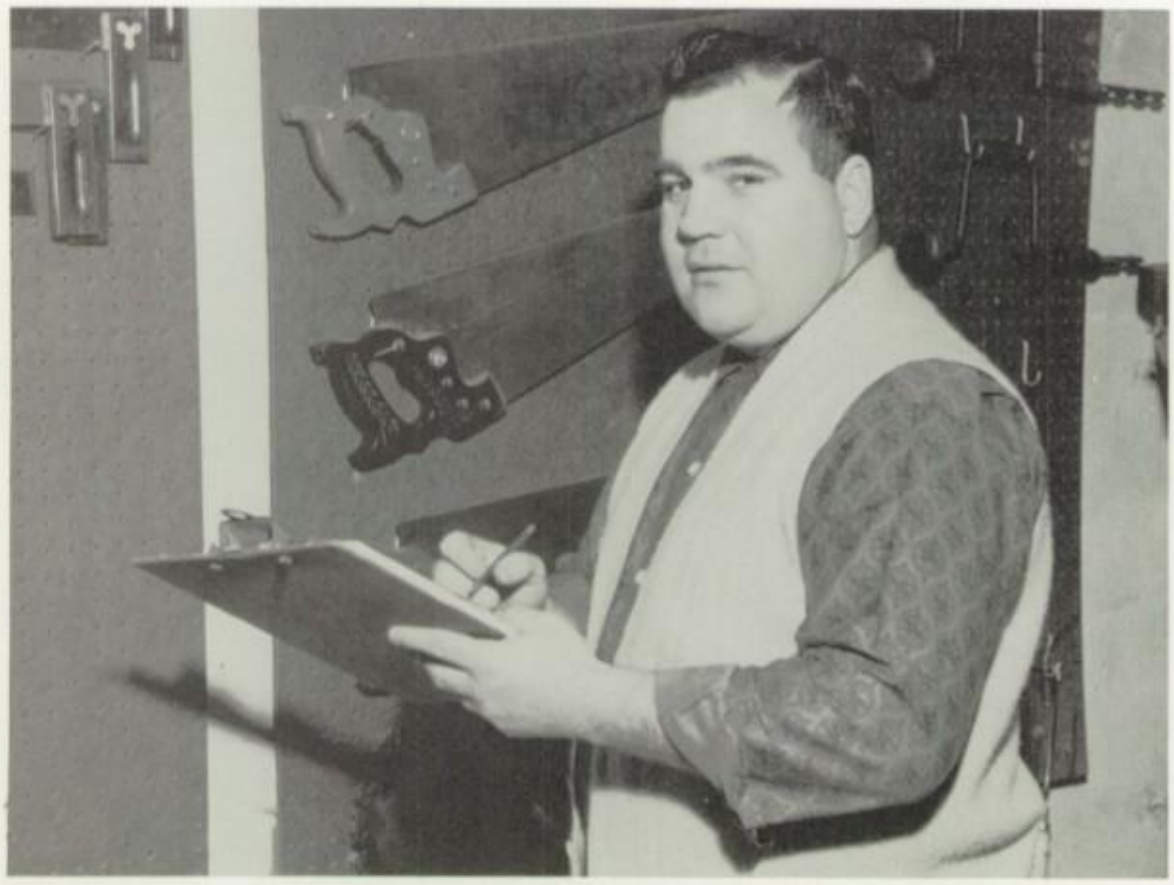
They Stimulated Our Minds Through Books and Art



Mrs. MARGO ADAMS, a graduate of Centre College, teaches Spanish and Art. We have enjoyed seeing the art displays of student work in the study hall. The program at Russell High School has been greatly enriched since Spanish and Art were added to our curriculum.

Miss NUMIA LEE FOUTS is our Librarian and Senior Adviser. She is also Beta Club Sponsor and yearbook adviser. Miss Fouts will be very happy when the Revilonian goes to press so she can move the library out to the new school.

We Will Remember the Patient Guidance



Mr. BROWN FEIX, Football Coach and Industrial Arts instructor, is a graduate of Morehead State College. We will remember Coach Feix and his genial grin, as he always displayed good sportsmanship in defeat as well as in victory.

Mrs. MINNIE MAE HOFLICH is head of our Home Economics department. She teaches girls how to become better homemakers. We were very proud of their style when the girls modeled the clothes they had made.

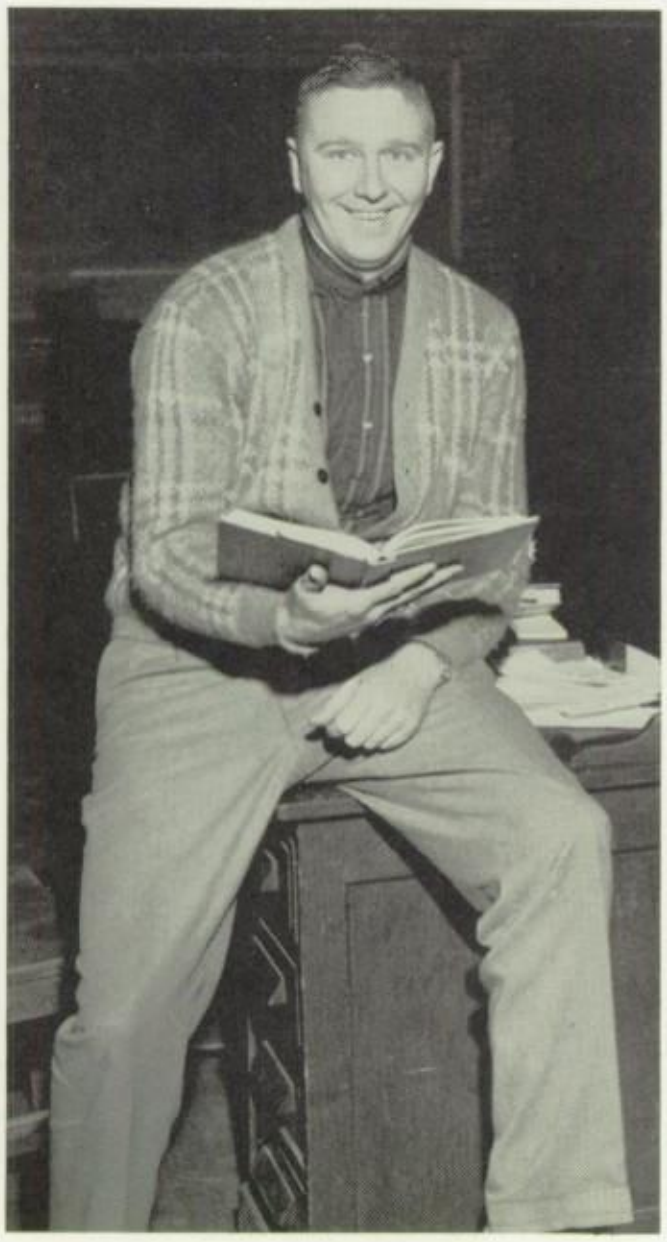
Mrs. IRIS ROBINETTE can always be found in the typing room where she patiently drills commercial students for speed and accuracy. Mrs. Robinette serves as Senior sponsor and advises the Revil staff. We will remember and miss her "Green Door" next year.

Mrs. HUGOLINE HUGHES, of our Commercial department, instructs those students who wish to enter the business world. In addition to teaching Bookkeeping and Shorthand, Mrs. Hughes is Junior sponsor and also helps the cheerleaders perfect their yells.

Given by Our Instructors.

Mr. RONALD IRWIN is the energetic new director of our school band. We welcome Mr. Irwin and congratulate him in encouraging the students to give of their best to the band. We appreciated their splendid performance on Commencement night.

Mrs. EDITH CALLIHAN, Supervisor of choral music, always manages to perfect an outstanding Glee Club and Mixed Chorus, regardless of the talent in her group. We will long remember their lovely melodies on special occasions during the year.



Mr. MARVIN MEREDITH is the affable basketball coach and Phys Ed instructor. He also teaches Health. Mr. Meredith stresses the importance of healthful habits in our daily living.

We Will Remember —

Unity, according to Mr. Webster, implies oneness and harmony . . . It can be truly said that the classes at Russell High School worked harmoniously together for the betterment of our school. Unity has always been an admirable characteristic of our Board of Education and Administration-Faculty relationships . . . It is also reflected in the cooperative spirit of our P.T.A., the Band Boosters organization, and the various other civic clubs in our community . . . WE WILL REMEMBER the unity of the Senior Class in working on their money-making projects for their New York trip.

WE WILL REMEMBER Tuesday, February 20, 1962. This was the historical day when Astronaut John H. Glenn, Jr. soared triumphantly around the world three times in space. He traveled more than 81,000 miles in 4 hours and 56 minutes, experiencing 3 days and 3 nights. The whole world saw his flight take-off on TV from Cape Canaveral, Florida, and listened breathlessly until his safe return to earth was announced. His first comment from his capsule "Friendship 7" was: "Boy, that was a real fireball of a ride!"

After experiencing a wonderful, wonderful Junior Prom, we realized that even the word "Sayonara" made us sad . . . we chose our Junior ushers . . . then came our first rehearsal. Our Baccalaureate was inspiring . . . Don Fosson presided, while the Rev. Albert Savage delivered the sermon. Another rehearsal, then Graduation night . . . The Seniors looked pretty in their caps and gowns . . . Jim Armstrong presented Rena Caudil and James Stanley . . . We were proud of them . . . We listened anxiously to the music of the Glee Club and Band, and Mr. Bement, our speaker . . . Then all of a sudden, our name was called . . . we had our diploma and red rose . . . and it was all over . . . the happiest four years of our lives . . .

James Stanley Received Many Awards and Applaus

James Stanley, Valedictorian of the 1962 Graduating Class, achieved an outstanding record at Russell High School. On Honors Day, he was applauded many times by the student body, as he was presented his numerous awards. James received the Valedictorian trophy, Math award, P.T.A. Scholarship, Lions Club Outstanding Senior trophy, Allied Chemical Company Science award, and the Bausch-Lomb Science award. We are very proud of James Stanley and our best wishes go with him as he commences his college career.

We Salute Rena Caudill

Rena Caudill was Salutatorian of the 1962 Senior Class. She was a credit to our school and especially the commercial department. When any special typing had to be done, Rena was always called. She also did an outstanding job as Senior Savings Treasurer. We laud Rena Caudill because her books balanced. She was presented the Salutatorian trophy on Honors Day.

We Will Remember the Thrilling Sights in New York City

Our never-to-be-forgotten Senior Trip to New York City is now a memory. It is one, however, that we will always cherish. Mr. Firestine and our sponsors commended us on our good behavior. We, too, were very proud of our class. We proved to ourselves and to the public that we were "above average" teenagers. We enjoyed seeing our nation's Capitol, the Tomb of the Unknown Soldier, and the F.B.I. building . . . New York City was full of wonders and disappointments . . . We walked to the top of the Statue of Liberty . . . We cruised around Manhattan Island . . . We rode sight seeing buses around the city . . . We were glad to get back home . . . safe, if not sound.

JUNIOR FAVORITES

Choose Favorites, Order Rings and Annuals,

When school opened in September, the Juniors proved that they really belonged. They assumed offices of leadership and responsibility. They gave speeches and book reports like old pros and busied themselves with term papers, footnotes, and bibliographies . . . They could hardly wait to order their Senior rings. They made early preparations for their Junior Prom which climaxed a wonderful year of activities . . . The Juniors will remember their sponsors, Miss Washington, Mrs. Hughes, and Mrs. Adams, who helped them with their projects and to say "Sayonara" to the Seniors.

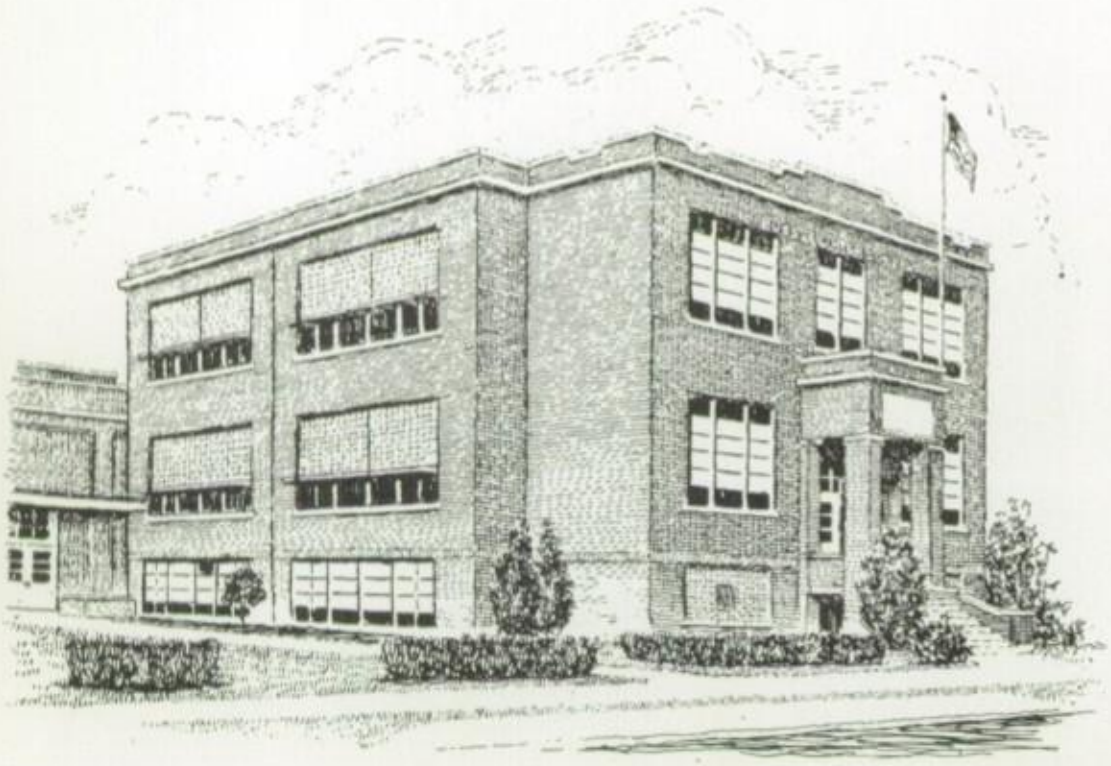
We Will Remember —

Service—this word stands for the third letter in RUSSELL . . . Service is necessary in the life of any individual who would be happy, because only by the giving of oneself, does one achieve true happiness. We sometimes overlook the services which are rendered for us each day . . . Many services are performed for us by unknown benefactors. At school, we are fortunate to have many students and several service clubs who have made a great contribution to our growth . . . WE WILL REMEMBER the unselfish services given by our parents, teachers, and leaders.

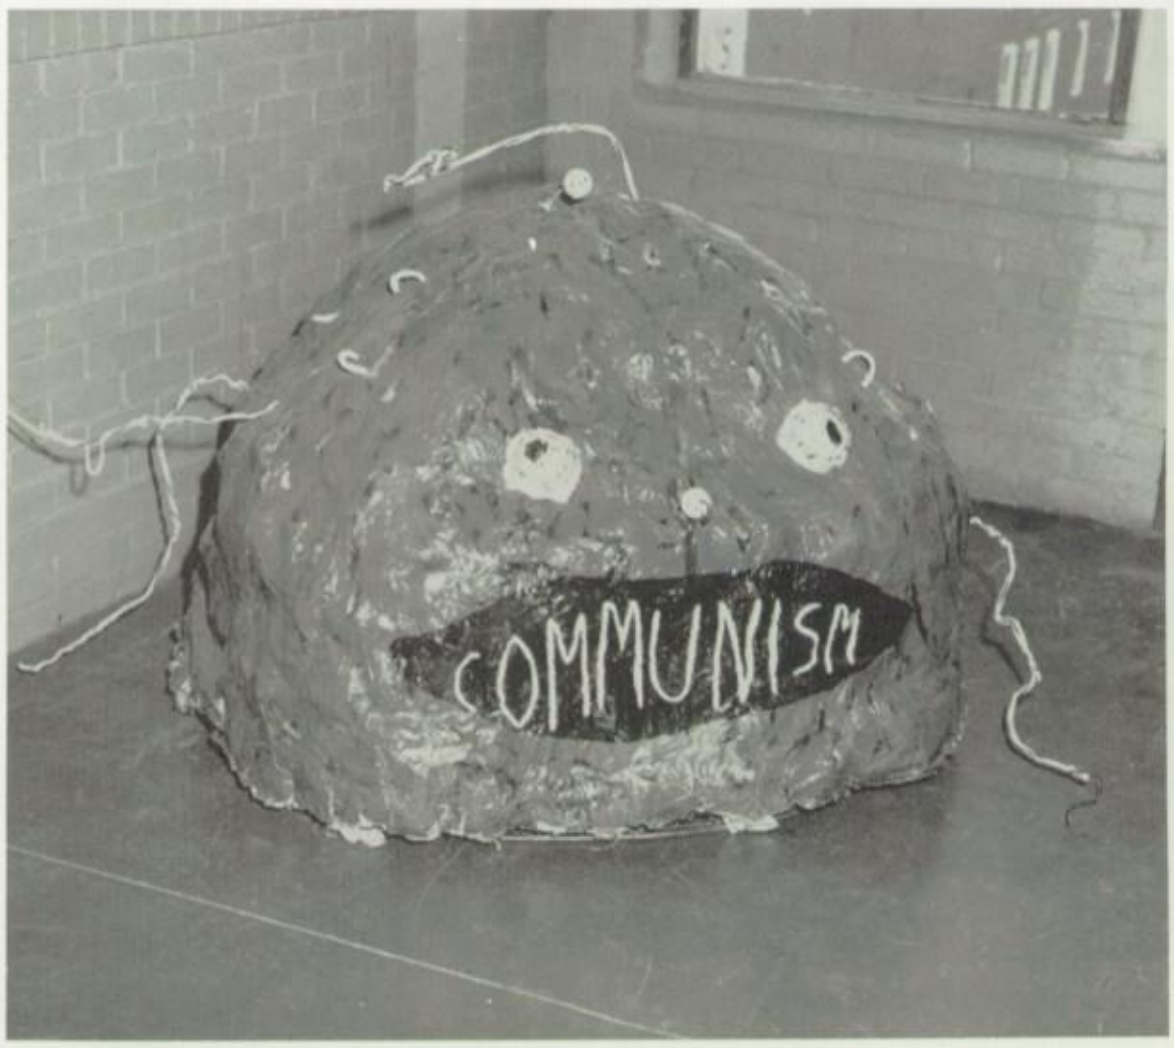


Our

Activities

Beta Club Wins First Prize Again

We are extremely proud of the Beta Club and the recognition it has brought to Russell High School. We have achieved fame throughout the state for our prize winning skits at State Beta convention. We used the Monster pictured at right to dramatize our skit which won 1st prize of $25 this year. The skit was entitled "Wake up, America" or Creeping Communism.



Betas above are: *First row:* Patty Hensley, Carolyn Evans, Connie Castle, Kathy Callihan, Jenny Evans, Linda Maynard, Nancy Johnson, Teva Meadows, Miss Fouts. *Second row:* Josie Large, Paula Padgett, Johanna Garvin, Judy Merritt, Sandy Lynd, Linda Wheatley, Carol Deere, Don Fosson. *Third row:* Brenda Greene, Rena Caudill, Phil Queen, Jim Armstrong, Jack Floyd, James Stanley, Carol Bandfield, and Penny Winters.

Betas Aid Cerebral-Palsy Drive

The Beta Club is a National Honorary Organization. Its members must have a "B" average and commendable attitude before they are invited into membership. Although scholarship is essential other important qualities such as good character and leadership are stressed. Miss Numia Lee Fouts is the local and also the Kentucky State Beta Club sponsor. All projects this year were under the splendid leadership of Don Fosson, Beta President. We were invited to present our skit before several civic groups, mainly, the Russell Womens Club, The P.T.A., and at Wurtland High School. Above are pictured: Jim Armstrong, Teva Meadows, Gregory Stephenson, Don Fosson, and Johanna Garvin.

Our wonderful Teen Talks in the Gym were sponsored by the Co-Ed-Y and Tri-Hi-Y Clubs. Minsters from our area were invited to do the speaking. Both students and teachers enjoyed these talks and as a result were inspired toward better living.

Pictured above are: Don Fosson, Jim Sexton, Jenny Martin, Jim Armstrong, and Rev. A. J. Roberts.

These delegates from our Co-Ed-Y and Tri-Hi-Y Clubs participated in the Kentucky Youth Assembly held at Frankfort. The purpose of this convention was to learn the functions of state government. At the Kentucky United Nations Assembly, Tom Adkins was elected to serve as President of the Security Council.

Clockwise are: Keith Stephens, Carolyn Hughes, Margaret Tackett, Tom Adkins, Connie Ferguson, and Kathy Balof.

Here you see Jim Sexton, President of F.T.A., calling the meeting to order. This meeting was held at the end of the school year, combining the election of next year's officers and a party well earned by all.

Office Assistants Are Invaluable

Our office assistants are called upon to do everything; from replacing a lost button, to reminding the office practice girls that football practice would not be held that day.

Keeping Russell High School running smoothly is a difficult task, but Sissy Workman, Nellie Kiger, and Mrs. Betty Hollan helped considerably. Among other things, they were there to type the morning and afternoon announcements, answer the phone, welcome new students, and sell meal tickets at lunch time.

Library Assistants Give Vital Service

Library assistants: Susie Sallee, Lora Hopson, Juanita Moore, Violet Arthur, Jennie Evans, Eileen McCain, Sterling Norris, Phyllis Coffee, Brenda Greene, Phil Haines, familiarize themselves with the many aspects of the library so that they may in turn give aid to the students.

We Gain Poise at Style Show

The Style Show, sponsored by the Tri-Hi-Y Club, brought not only the "beauty" but the "brains" of Russell High School to the attention of the public. These girls, members of Mrs. Hoflich's Home Ec. class, displayed beautiful outfits made by their own hands.

At left are: Rena Caudill, Jo Rice, Evelyn Diamond, Emily Rice, Prudence Cook, Vicki Harris, and Teva Meadows.

And Learn to Save Our Pennies for "Senior Savings"

Vicki Harris was adjudged the winner of the Style Show. Vicki, sponsored by the Russell Younger Woman's Club, represented Russell High School at the regional contest in Morehead.

Revilonian Staff Will Remember the Day Yearbook Went to Press

Remaining members of the 1962 Revilonian Staff pictured above have reason to smile on a hot July day and say, "We thought it could be done and we did it!" We are very proud to present to you the 37th volume of the Revilonian. We hope that you like our theme "WE WILL REMEMBER" and that it will help you to cherish the events and happenings of the year 1962. We echo the editorial words of the first 1918 annual which said, "It is with mingled feelings of joy and sadness that we pause to summarize our past days in dear old R.H.S. . . . With deep regret do we say goodbye to the place which has become home to us in these four short years . . ."

Miss Fouts, Advisor, wishes to express her sincere appreciation to the following staff members who worked many hours after school was out in order to finish the Revilonian.

Teen Night Was Big Success

Teen Night, sponsored by the Russell Women's Club, combined all the activities of Russell High School. The president of each club spoke about the purpose and projects of his club. Paintings of art students were displayed and products of shop class were admired by those who prefer to "do it themselves." George Potter, representative of the Science Club demonstrated an optical disk aided by his capable assistant. Carol Deere, member of the Mixed Chorus, and Jane Hardiman, member of the Glee Club, captured the audience with their melodious voices. Groups and solos, originated from the band, rendered pleasing sounds to the Teen-O-Rama. A style show gave some of our girls an opportunity to show their sewing skill. The highlight of the evening was the crowning of "Miss Teen Queen," Emily McMillan. Jim Sexton, master of ceremonies presented her with a lovely bouquet of roses. All proceeds from this affair was turned over to the Russell Public Library to buy Teen-Age Books.

Teen Queen Nominees are, *bottom to top:* Tressa Hudnall, Emily McMillan, Jenny Evans, Leslie Ennis, Marilyn Stephens, Pat Conley, Connie Castle, and Kathy Callihan.

We Will Remember —

Sportsmanship . . . The "S" letter in Russell has always spelled out sportsmanship at Russell High School. Our coaches emphasize the importance of high ideals and clean living both on and off the basketball floor or football field . . . We have been taught how to accept defeat as well as victory . . . We are proud of Russell High School and the name we have earned for good sportsmanship. We are also proud of the good school relations which exist between us and other schools . . . Learning how to get along with others has long been an integral part of our athletic program . . . WE WILL REMEMBER the excellent sportsmanship displayed by our Red Devil teams and our student body.

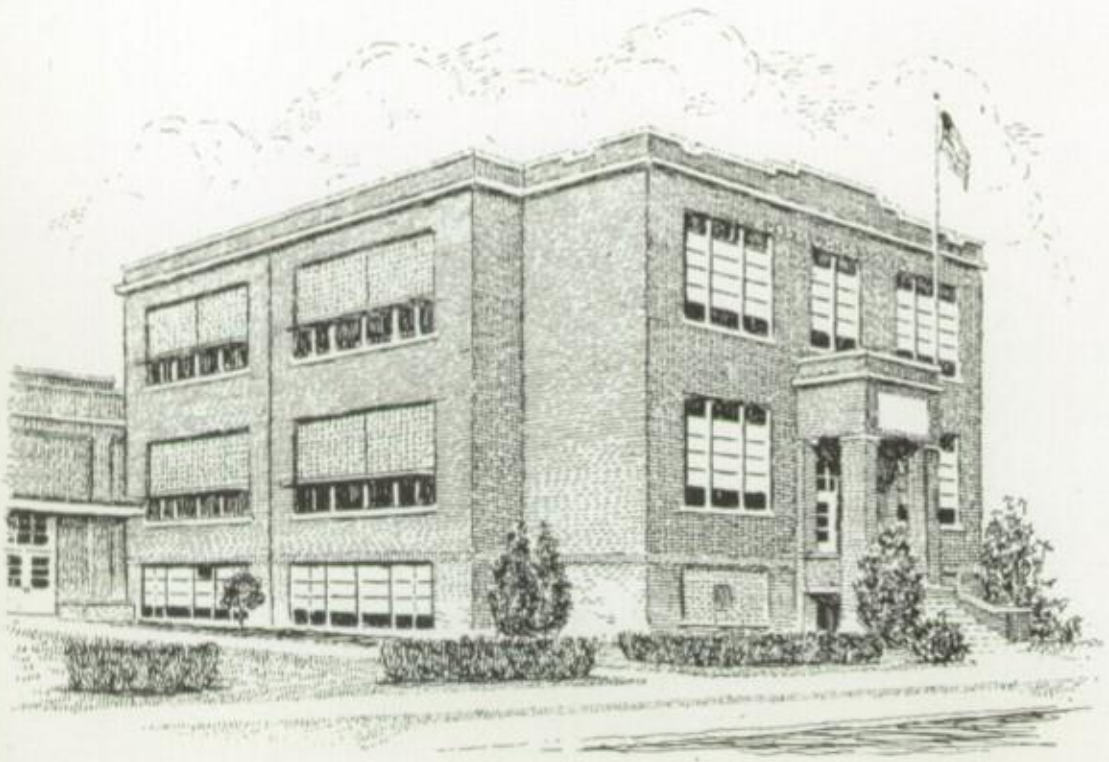
We Will Remember —

Expression—The fifth letter in our name represents expression—a word which is essential in our democracy. So it is at Russell High School. We are free to select those subjects and activities which will give expression to our talents and skills. We feel that we are very fortunate in having an outstanding music and art department. We have the opportunity to train our voices and the chance to play any musical instrument. Our Art department has activated interest throughout our community. Many of our hidden talents have been brought to light and we applaud our Band Boosters and Art patrons . . . WE WILL REMEMBER our Band and Glee Club on Commencement night.



Our

Music and Art

Jenny Franz and Sissy Meadows are a cute duet who help to create the melodious tones so characteristic of the Russell High School Band.

The Music Department was well represented at the Morehead District Music Festival. Carol Deere of the Mixed chorus received a superior rating for her soprano solo. Jane Hardiman, Glee Club member, also received a superior rating for her soprano solo. Band member Teresa Taylor, was given a superior rating for her excellence in student directing.

Band Demonstrates th

The band has marched on many muddy football fields at halftime for the fans of Russell High School. They have also traveled to many places such as Huntington, West Virginia, to appear on television. The concert band has performed in Christmas, Spring, and Commencement concerts.

Pictured are: Jenny Franz, Sissy Meadows, Sheila Jackimczuk, Glenda Cope, Rebecca Powell, Randy Whitehead, Melvin Ferguson, Benny Mitchell, Mike Prout, Carl Curnutte, Vicki Harris, Fred Stewart, Mark Curnutte, Phil Thompson, and Jim Donehoo.

Vivacious majorettes: Connie Castle, Sissy Meadows, Judy Cooke, Jenny Franz, Nancy Johnson, and Ruth Ann Hopkins have added vim and vitality to pep rallies and football games. They have also participated in many other school activities such as the Beta variety show, and Teen night. At the Morehead Band Festival, they received a well earned superior for precision and skill in twirling routines.

When our Pep Band concludes the "Red Devil Blues," the fans always yell for more. Many of the fans' favorite numbers were sparked by the thrilling solos of Ray Ross Jr. The stirring music from the pep band animated our basketball fans who cheered our team on to victory.

Splendors of Music

Pictured are: Phil Queen, Ray Ross Jr., Danny Blanton, Melvin Ferguson, Kent Clay, Gary Duerk, James Rayburn, Brenda DeBord, Teresa Taylor, Nancy Johnson, Sharon Clark, Jenny Franz, Sissy Meadowa, Phyllis Coffee, Sandy Compton, Connie Castle, and Mr. Irwin.

Art Students Try to Capture

The Art Class has added much beauty to our life at Russell High School. An art gallery where original masterpieces were displayed, was shown in our auditorium. Many of our student artists displayed paintings in the "Russell Schools at Work and Play" exhibit. Shown here working on seed mosaics are Tom Carr, Annie Boggs, and Kathy Wilson.

Beauty in Their Own Creations

One of our more difficult assignments this year was self-portraits. Margaret Tackett is adding finishing touches to her sketch.

The self-portrait of Carolyn Evans, outstanding art student, was chosen by the Russell Younger Woman's Club to compete in the Morehead District Art Contest.

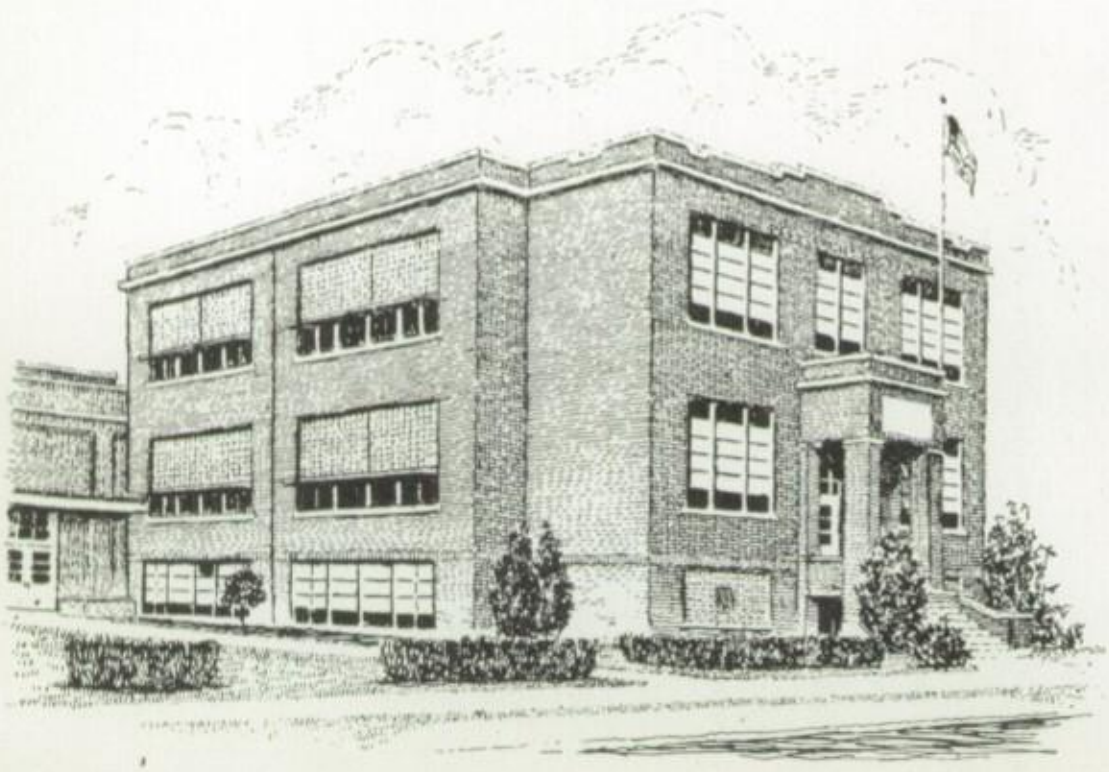
We Will Remember —

The letter "L" in Russell signifies Learning—the main objective of attending school. We are proud of the students who have graduated from Russell High School. Their records at college and later as business and professional men and women are indicative of the excellent training they received at Russell. Many outstanding people claim R.H.S. as their alma mater . . . More important is the fact that our students become good citizens—working toward the betterment of their communities . . . Learning takes on many facets but in the final analysis, we believe that getting along with others is primary. It is our hope that the 1962 Graduating Class Will Remember to work for a more peaceful world . . .

We think that Russell High School offers one of the best curriculums to be found in our state. We are given the opportunity to select from three major divisions; Academic, General and Commercial. WE WILL REMEMBER the many opportunities afforded us.



Our

Good Secretarial Training Is

Fingers curved, back straight, feet on floor, eyes on copy; these are some of the basic rules of typing as practiced by our Commercial students. Annie Boggs is trying out one of the newest typewriters recently added to the Commercial Department.

Frequently someone will yell "Wait" when starting a speed test, but not any of these typing students. They realize the importance of being alert and ready in order to increase their speed.

Nellie Kiger is shown engrossed in her bookkeeping. She is working a Practice Set, containing invoices and bank notes.

Our office practice girls are trying to reach their maximum speed as they transcribe their shorthand notes.

To Become a Part of the Business World

Office Practice: Tressa Hudnall, Joanna Boggs, Charlene Ford, Jackie DeBord, Teresa Taylor, Jo Rice, Sissy Workman, Kathy Arthur, Patty Duncan, Rena Caudill, Connie Ferguson, Pat Conley, and Jane Cox.

Mrs. Hughes explains to Emily Rice how to make an opening entry. Evidently, Anna Napier and Lucy Terry have already solved this problem.

Mrs. Rupard, English II instructress, explains the mechanics of good grammar to: Chuck Simpson, Benny Mitchell, Maynard Boggs, Jessica Kiser, Deanna Stowers, Charles Tackett, and Jim Donehoo.

Skillful Communication Is Goal of English Department

[1]Literature is stressed in Senior English classes and a literary background of Shakespeare, Milton, Dickens, and the other classics is given every student. Mrs. Smith explains tomorrow's assignment to Teresa Taylor, Ronnie Young, Eric Duerk, Carol Cordle, Martha Groves, Connie Ferguson, Jane Cox, Jim Sexton, Gary Sexton, Jack Floyd, and Linda Potter.

Book Reports Are a Must

Steve Stephens says: "This is the best book I've ever read!" as he gives his report to English III class. It seems that everyone is terrified at first at the thought of giving a book report. Later on, after our first feeble attempts, we gain poise. Senior reports are automatically and happily given.

Español Es Popular

Mrs. Adams' second year Spanish class pause for our cameraman. This was a popular class, as they learned not only to speak but to translate Spanish stories. They also learned many interesting facts about Spanish speaking peoples and their customs.

Señoritas and Señores Study Spanish

Carolyn Evans, Jack Edwards, Judy Sampson, Bill Roberts, Tom Adkins, Mrs. Adams, Nancy Johnson, Vicki Harris, Fred Reynolds, Marcia Wonn, David Floyd. Larry Williams, and Bob Slater.

We Prepare for Space Age From Every Angle

Students' reasoning processes are cultivated through plane geometry and guidance of Miss Washington. *Above are:* Fred Reynolds, Tom Adkins, Keith Stephens, Vicki Harris, and Charles Rose.

All eyes are on Eric Duerk as he gives a speech. Attentive listeners are: Prudence Cook, Judy Franklin, Linda Potter, and Carol Cordle.

"What am I supposed to do next"? ponders Lynn Lutz. Never fear Lynn, for Mr. DeBenedictis will help you to solve your problem.

We Study Mysteries of Life

Here we see Mr. DeBenedictis observing Bill Bradford as he removes a specimen from his jar.

Clockwise are: Kathy Wilson, David Waddell, Joann Garrett, Bill Bradford, Martha Bailey, and Mr. DeBenedictis.

Freshman algebra students appear to be very amused at a comment made by their instructor, Mrs. Beverly Melvin. Math isn't all work and no play, is it students?

At left: Mrs. Melvin, Tom Moore, William Fisher, Fred Stewart, Carolyn Mullins, Vicky Callihan, Beth Houck, Mary Hendricks.

Miss Renfroe, Latin instructor, demonstrates to Carl Curnutte, Tom Greene, and Julia Goldcamp that modern English contains many derivatives and pure Latin words. A knowledge of Latin provides a better understanding of English.

Precision Is Essential in Industrial Arts

"No, move it over to here," says Richard Childers to Dave Adams and Danny Morris as Coach Feix peers over a huddle to determine who is correct. Parts must be measured to fit, and the safe use of tools cannot be overemphasized.

"Don't tickle him, you'll make him hiccup!" Future homemakers Nellie Kiger, Linda Kirk, Edna Callihan, and Betty Argabrite, are learning how to give baby a bath when baby insists on splashing water in your eye.

Mrs. Hoflich, home economics instructor, gives valuable training in child care and family relationships.

We Learn the Value of Child Care and Good Health

The value of a good health program was recently emphasized by President Kennedy. Mr. Meredith, health instructor, informs his students how to turn those flabby muscles into firm ones. Special recognition was recently given to our health class at the Greenup County Fair. Russell walked off with the first three prizes in the poster competition on the Seven basic foods. First place went to Nancy Leake, second place to Pete Glazier, and third place to Duffy Short.

We Will Remember —

Life—the last letter in Russell stands for Life, without which all other things are impossible. Education is a continuing life process and we grow in knowledge as we grow in years.

Life at Russell High School has meant growth. It was here that we, as many others before us, became men and women . . . had hopes shattered, felt pain . . . saw the future in a newer, more secure light . . . and experienced all the happiness and frustrations that could be possibly packed into four years . . . Our memories will become less vivid, the people we knew will be spoken of as "that girl in English class," or "the boy who made the winning basket in the Tomcat game"—but WE WILL REMEMBER.

Every room at RHS holds an unforgettable memory . . . each year will form a ripple in our pool of remembrance; but, we shall never forget . . . WE WILL REMEMBER the old Russell High School building and the knowledge we acquired there. WE WILL REMEMBER to think on these things as we go forth to face Life.

We Have Queens at R.H.S.

Above attendants: Nancy Johnson, Brenda Greene, Jenny Evans, Kathy Callihan, Connie Castle, Sissy Meadows, Junior Class President, Keith Stephens, Prom Queen, Jenny Franz.

Mrs. Jack Rollins, at left, lovely wife of our social studies instructor, lent an Oriental aire to the theme of our prom.

Vicki Harris and Tom Adkins were selected as the best Daisy Mae and Li'l Abner at the Sadie Hawkin's Day Dance. Many a Daisy Mae caught her Li'l Abner without any difficulty at this dance sponsored by the Beta Club.

And More Queens

Lower right: Emily McMillan was crowned Teen Queen at the Teen-O-Rama Program. Master of Ceremonies, Jim Sexton, crowned the lovely representative of the Tri-Hi-Y Club. This program was sponsored by the joint efforts of the different high school clubs and the Russell Woman's Club. Proceeds from this project were used to buy teenage books for the Russell Public Library.

Below are Beta Sweetheart nominees: Penny Winters, Judy Merritt, Don Fosson (Beta President), Nancy Johnson, Josie Large, and Connie Castle.

SAR AWARD

Senior Class Favorites

It is truly an honor to be chosen as a Senior favorite by one's classmates. Each of the students pictured here have exhibited a particular talent and displayed a special quality which has endeared them to their class.

We, the underclassmen, greatly admire these students and hope that they will continue to receive honors after graduation. In turn, we will strive to uphold the principles and ideals exemplified in the lives of those students who have held high standards.

Joanna Boggs
Donald Fosson
MOST COOPERATIVE

Always in the midst of "goings-on" are Josie Large and Jack Floyd, MOST POPULAR.

Josie Large
Jack Floyd
MOST POPULAR

Jenny Martin
James Armstrong
MOST VERSATILE

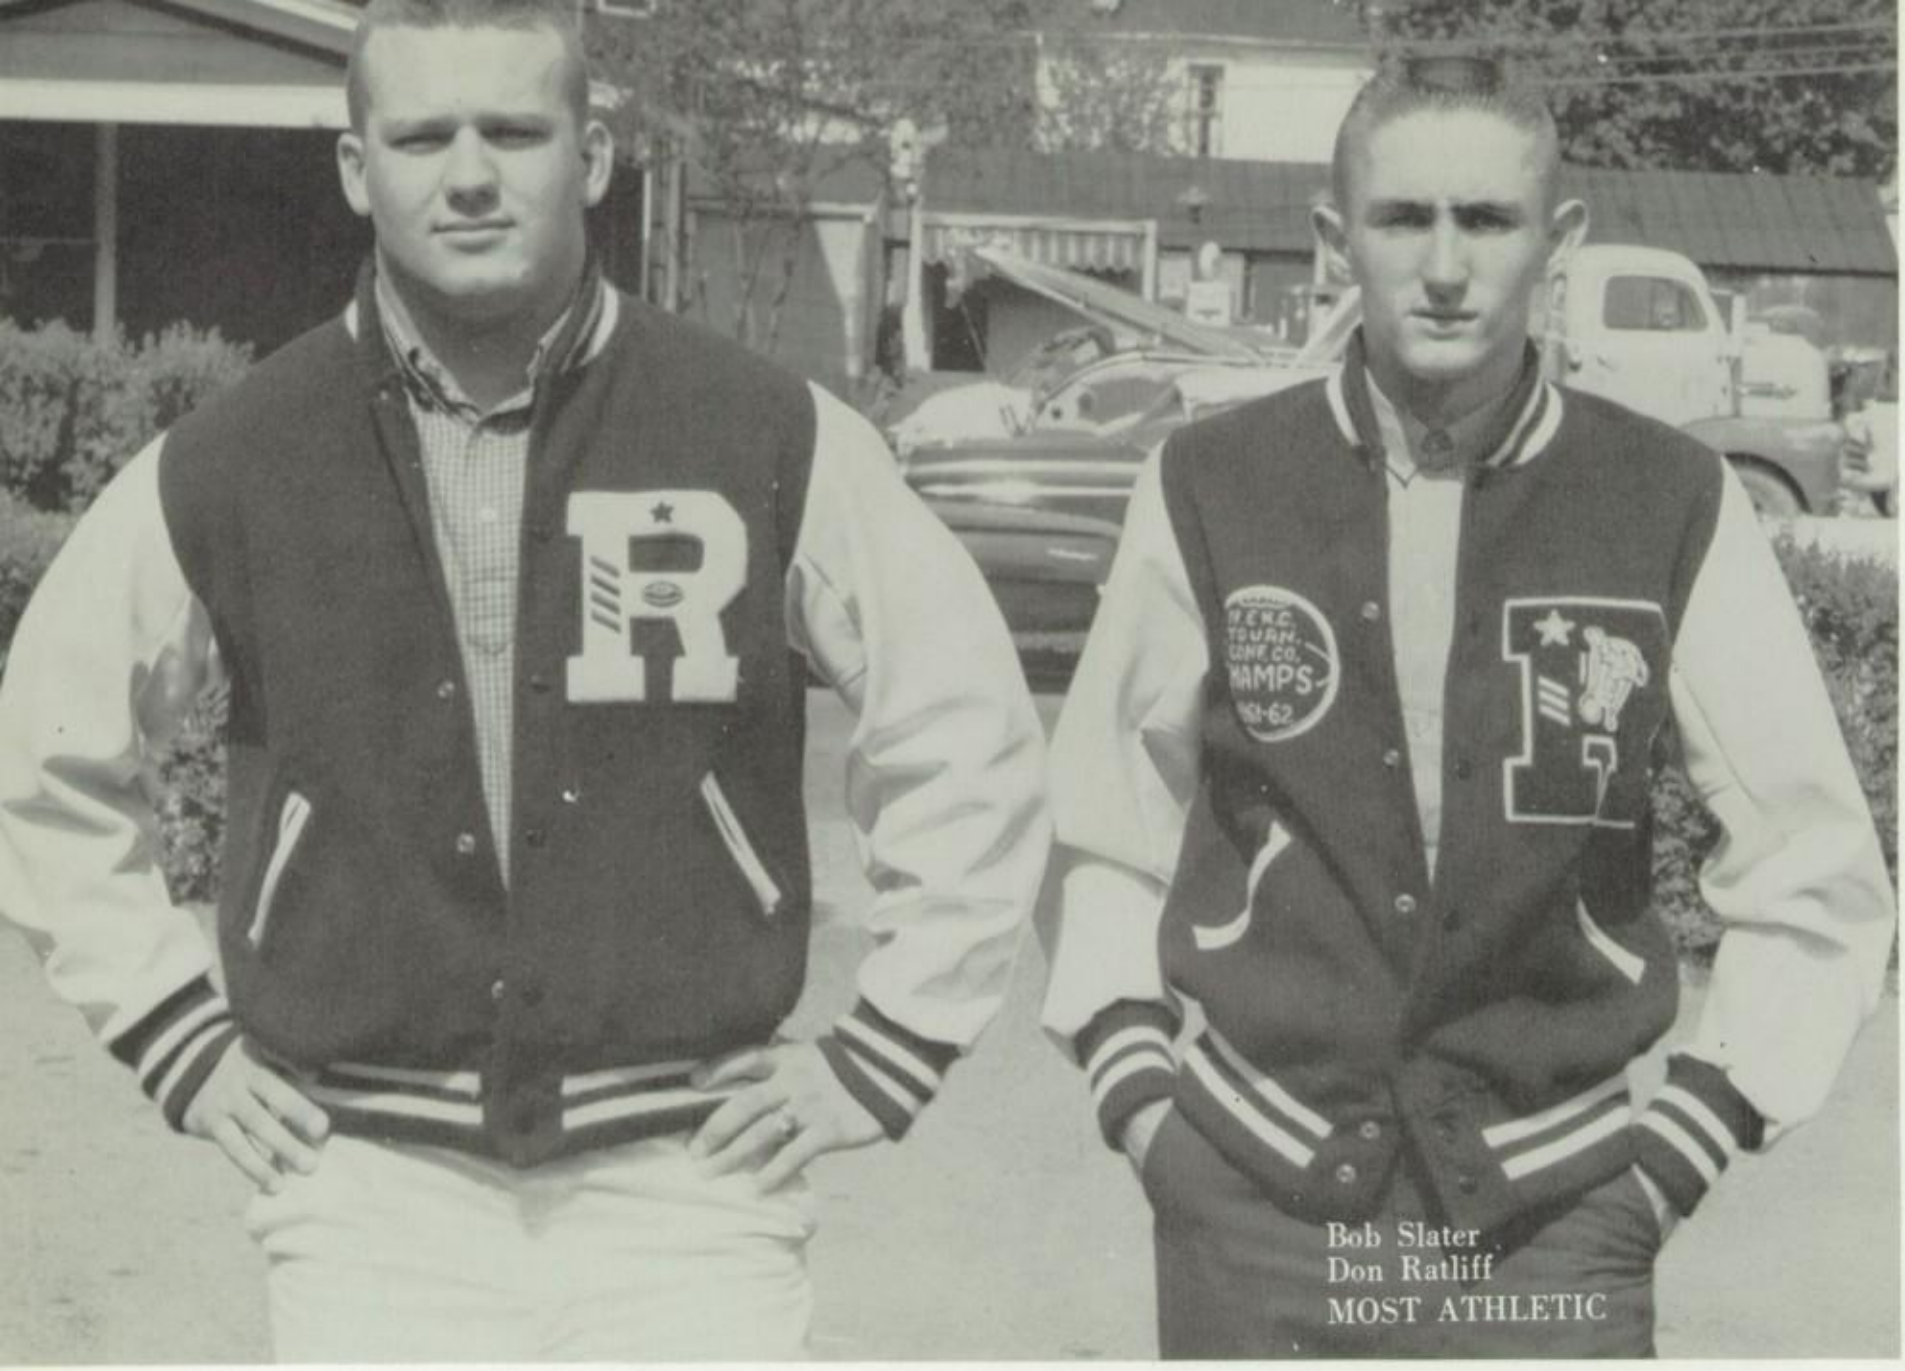
MOST VERSATILE Jenny Martin and Jim Armstrong, pause during their many activities to brighten the pages of our yearbook.

Claudia Tackett
Danny Gwinn
MOST ATTRACTIVE
MOST HANDSOME

It is evident that MOST ATTRACTIVE, Claudia Tackett, and Danny Gwinn, MOST HANDSOME, were first in line when good looks were bestowed.

Caught in the act of being themselves are WITTIEST Tressa Hudnall and David Floyd. We hope that Chief Greathouse will forgive them for their "practical joke."

Tressa Hudnall
David Floyd
WITTIEST



Bob Slater
Don Ratliff
MOST ATHLETIC

Our photographer's lens was not fast enough to catch BOB SLATER and DON RATLIFF in action, so we could not picture them in their true light. Because of their outstanding achievements, the class voted to honor both of them as favorites for MOST ATHLETIC.

Honors Day brought happy smiles to the faces of our Good Citizenship recipients. We congratulate: *First row:* Josie Large, Carolyn Evans, Sandra Comptom, Sheila Bailey. *Second row:* Don Fosson, Keith Stephens, Sonny Taylor, Marshall Hall.

Don't let this trophy fool you, this is the losing team. The girls did put up a hard fight, but Mrs. Hoflish's team stung Miss Fout's girls. We could not learn the correct score as the teams would not heed the whistle or the buzzer or the referees. It can be said though, that a good time was had by all, despite bruises and bumps.

First row: Jenny Martin, Jane Cox, Karen Caudill, Claudia Tackett. *Second row:* Miss Renfroe, Carol Cordle, Connie Ferguson, Miss Skeens, Miss Fouts, Prudence Cook, and Judy Mullins.

We Had Thrills, Mostly Spills at Senior Girls' Basketball Game

Is this the winning team? These girls appear as though they are ready to play another game.

First row: Tressa Hudnall, Rita Smith, Shelia Whitt, Donna Price, Patty Duncan. *Second row:* Mrs. Hoflich, Mrs. Hughes, Rena Caudill, Martha Groves, and Dottie Stevens.

At the "Russell Schools at Work and Play" exhibit, the Commercial Department had a very interesting display of typewriters. All the typewriters are from a collection belonging to Mrs. Iris Robinette, typing instructor. The pleasant faces of Joanna Boggs, Carolyn Webb, Sissy Workman, Lyda Winger, and Julia Goldcamp would brighten any atmosphere.

Ray Ross and Jenny Martin
MR. AND MISS REVILONIAN

Jenny Franz
PROM QUEEN

Taking time from their busy schedule, Marcia Wonn and Freddie Reynolds pause for a few moments to catch their breath and to exchange the latest news.

Coach Feix is to be commended for his fine job of refereeing the Senior Girls' Basketball game. Even though the girls did not hear his whistle, he held on till the last second of the last quarter.

We Had a Ball!

At the Senior Girls' Basketball Game, all eyes are on the ball as Gay Adkins tries to make a basket. Players are: Jane Cox, Connie Ferguson, Donna Price, Dottie Stevens, Gay Adkins, and Miss Skeens.

Here are the three basic reasons why there was always a long line of students leading into the lunchroom. As a result of more and modern equipment, we are sure that even better meals will be served at the new high school.
Mrs. Reynolds, Mrs. Taylor, and Mrs. Thomas.

Cooks and Custodians Cooperate to Make Our Last Year One That We Will Remember

We are grateful to the custodians who try to keep our school a tidy and clean place in which to learn. Each one is considered a special friend to the students of Russell High School. Clarence Callihan, Winston Short, Mae Willis, and Elsie Brown.

NO STIRRING!

It's homogenized . . . mixed in the can and *stays* that way!

NO DRIPPING!

LESS DIPPING!

Because of its jelled consistency Jelled Magic can actually be loaded on brush or roller. One brush or rollerful goes a long, l-o-n-g way.

Look to the future...

Successful people will tell you that to succeed in life, you must be willing to prepare and work for it. There is no easy road to success.

One way you can prepare for a career after high school is to include college training in your future plans. And if your plans call for a career in petroleum—keep an eye on Ashland Oil . . . a growing, progressive oil company.

BESIDES STEEL

ARMCO IS IN THE EDUCATION BUSINESS

WHY SHOULD A STEEL COMPANY be in the education business?

WE ARE CONVINCED that the continued growth of our company depends upon the training and abilities of our people.

A VARIETY OF FREE COURSES is offered to Armco men and women. Courses range from blueprint reading to advanced metallurgy and management. Some of our teachers are university professors.

ARMCO'S EDUCATIONAL PROGRAM helps employees to learn more about job skills, company operations or earn credit toward college degrees.

ONE OF EVERY FOUR Armco employees enrolls each year in a company training class or a university course. Our students know that it takes trained brains to make and sell steel. They know that they will earn bigger paychecks as their understanding and skills improve.

HIGH SCHOOL GRADUATES who qualify may take advantage of more than 100 different training programs. Some become skilled journeymen after four years of on-the-job and classroom instruction. Others take courses at colleges and universities. And Armco pays the tuition.

IT TAKES TRAINED BRAINS to make steel. This is why Armco is in the education business. And this is why we urge you to finish your high school education. Whether you plan to work for a steel company or in some other field, we are sure you will discover that it takes trained brains to get ahead today.
